Major League Rugby

2025 Draft Prospects Guide

Disclaimer:

This guide is intended for public use for the sole purpose of familiarizing the reader with the declared prospects of the 2025 Major League Rugby Draft.

All information was obtained through publicly available sources. All information may not be present for certain prospects based on public availability. Information may be intentionally left out if deemed incomplete or misrepresented.

Games Played and Games Started statistics were obtained through published team publications, and may not be accurate or missing information. Only games from the 2024-2025 season, where the game consisted of First Team XVs were counted towards the total.

This guide and the author are not affiliated with Major League Rugby. For official league publications all readers should refer to official league socials or the Major League Rugby website.

The author humbly requests that any team with the capacity to do so publish complete rosters with useful details, as well as posting or publishing the team sheet for each game in a publicly available medium. Information for this guide was collected primarily from team websites and social media.

Good Luck to all the prospects.
